

Hello Hased Family!

Unfortunately, Amazon has deactivated their Amazon Smile program and our charity wishlists are no longer available in the format that you may have previously found them in. We are working to restore options for you to contribute to our organization in this way. **We currently have an Amazon wishlist available for you to shop, but it is much harder for us to track donations through this type of list. With this being said, please forward order information to afish@hesedhouse.org to ensure that we can track your contributions and receipt/thank you properly.** To shop the new wishsit, click on the Hased House logo in the top right corner or on other parts of this page to bring you to the URL.

We are continuing to develop plans to expand wishlists to other online shopping platforms like Walmart and Target. If you have any questions or concerns about any of these changes, please email afish@hesedhouse.org

THANK YOU FOR YOUR SUPPORT!
